

BULLSEYE SDS

MANSORY DRILL BITS

AVAILABLE FROM
1 - 100 PACK SIZES

AVAILABLE NOW!

Swarts is proud to introduce the latest in Bullseye Drilling Technology – Bullseye SDS Masonry Drill Bits.

Never miss your mark again with our self-centring Bullseye technology. You will drill accurate holes faster and cleaner thanks to its twin flute design and state-of-the-art carbide cutting tips.

These extremely durable bits are optimized for drilling into cast walls, reinforced concrete as well as bricks, marble and other masonry products.
